Why ‘development instead of migration’ policies are bound to fail

Abstract:
Restrictive immigration policies and the militarisation of external border controls by the US and the EU have failed to significantly curb immigration from Latin America and Africa. Rather, they have led to greater reliance on increasingly risky and costly undocumented migration and have paradoxically encouraged permanent settlement. A commonly presented ‘smart solution’ to curb immigration is to address the perceived root causes of migration through increasing aid to or liberalising trade wi...

Turning the Tide. Kill 10 Hellfire Guardians, then defeat the Iron Reaver in Hellfire Citadel on Normal difficulty or higher. Criteria. Kill 10 Hellfire Guardians and defeat Iron Reaver. Turn The Tide Lyrics: It’s a fact no one can hide / Those in power are our demise / Words are spoken, promises made / But in the end they turn out lies / Play dumb and deaf, play mute and blind / Run. It’s a fact no one can hide Those in power are our demise Words are spoken, promises made But in the end they turn out lies Play dumb and deaf, play mute and blind Run for cover try to hide But now it is time for revolution We can turn the tide.
